 - ~ 21,000 active CVs of researchers who uploaded their CV to the attention of potential employers;
 - > 66,000 researcher accounts created so far;
- Vast array of research fields covered
- High visibility to EU funding programmes for researchers (MCA, ERC)
- O 2010: ~7,500 job adverts; 2011: ~ 31,000; 2012: > 36,500!

Collaborations with relevant job platforms

Collaborations with universities, research labs, **relevant national/international job platforms and job boards**: Naturejobs (Intl), Focus Research (BE), Galaxie (FR), Euro*jobsciences (BE), INRA (FR), CINECA (IT), AcademicTransfer (NL), UniversityPositions (SE), Miclusterjobs (GR), Academic Positions (SE), Pharmajobs (GE), Qreer (NL), more in the pipeline...

EURAXESS Services

- A network of > 500 people working in > 200 offices across Europe (40 countries) providing researchers & their family with personalised assistance and welcoming them in the new host country;
- ~ **500,000** queries in 4 yrs period;
- Top ranking queries: funding opportunities; entry conditions, accommodation;
- «New entries» 2011: pensions of researchers & medical care

EURAXESS Rights

Everything researchers, their employers and funders should know about researchers' rights and obligations!

~ 455 individual endorsements of the Charter & Code principles:

They represent ~ **1,200 research institutions and funders** from 35 countries in Europe (MS and AC) + 1 beyond (i.e. RU) + various International European Interest Organisations (e.g. CERN).

The **'Human Resources Excellence in Research' badge** is awarded to institutions that have made significant progress in implementing the Charter & Code (so far **128 institutions** from 21 countries have been awarded, and more are in the pipeline).

The badge is displayed on adverts they publish on EURAXESS Jobs!

What is EURAXESS LINKS?

EURAXESS LINKS is the international arm of EURAXESS

EURAXESS LINKS seeks to promote research cooperation AND facilitate the mobility of researchers between Europe and the world (brain circulation)

EURAXESS LINKS has offices in China, Japan, India, North America, Brazil, and ASEAN (Jan 2013)

EURAXESS Links ASEAN Objectives

- To facilitate **interregional mobility, cooperation and dialogue** in research, science and technology
- To extend the **EURAXESS Links network** to ASEAN partners
- To increase the presence of ASEAN universities, research institutes, and companies in the EURAXESS network
- To raise the **profile of the EU** as a global player in research, science and technology
- To provide researchers with access to mobility and research funding schemes in the EU and ASEAN

EURAXESS Links ASEAN Activities

Information

- Website
- Monthly newsletter
- Facebook and Linked In

Events

- EURAXESS Science Slam (September 25, 2013)
- ASEAN-EU STI Days (January 21-23, 2014)

> Networking

Jobs and funding opportunities

- Horizon 2020 Info Days
- European Mobility Opportunities

Benefits to SEA Researchers & Companies

- A unique web portal providing access to a wide range of information and support services for researchers wishing to pursue research careers with Europe.
- A platform to raise the profile of Southeast Asian research and research institutions in Europe and through the EURAXESS Links network
- > A opportunity for companies in Southeast Asia to recruit global talent
- A "one stop shop" to access European and Member State research funding programs and mobility opportunities e.g. fellowships

Simon Grimley – based in Bangkok

Susanne Rentzow-Vasu – based in Singapore
