

Editing and Proofreading

Everyone makes mistakes. But they can reflect poorly on your organisation’s image and on the products or services you provide. How good are your team members at editing and proofreading? Do they know how to ensure that business documents are well-structured and accurate?

In this hands-on course, your teams will develop essential editing and proofreading skills needed to detect errors and improve writing quality. They will gain experience identifying common mistakes and increasing the written accuracy of business documents. These critical skills will enable your organisation to rely on the accuracy of written communications.

Objectives	Benefits
<ul style="list-style-type: none"> Increase accuracy and consistency of documents through editing language, layout and formatting 	<ul style="list-style-type: none"> Participants will enhance their credibility and professionalism through productive, accurate and effective editing and proofreading
