

myClass PLUS

Business and Workplace
English

Accelerate
your career

What is myClass PLUS?

We designed myClass PLUS with the needs of **career leaders** in mind because **Business English requires different skills and vocabulary** from General English.

These include participating in high level meetings, delivering dynamic presentations, writing clear and concise emails and professional looking reports.

**Accelerate
your career**

myClass PLUS Methodology

Personal Attention

Greater personal attention in the classroom accelerates your learning. Smaller classes, detailed one-to-one assessment, academic consultations to support your professional needs. Bookings handled by a dedicated Learning Advisor for your convenience.

Bringing the workplace to life in the classroom

Practical simulation of the business world with specially designed Business English lessons

Maximise your career

Feel prepared for any situation, obstacle or opportunity at work. Never again feel unprepared.

**Accelerate
your career**

English for employability

Introduction

In the last unit Faisal was preparing his presentation for the sales and marketing team at Greenwood Sports. In this unit he gives his presentation and deals with questions from the audience.

Aims

- understand a short presentation
- deal with interruptions during a presentation
- connect ideas logically when giving a presentation
